of Naperville*

RECIPIENT | Issac Proudfoot

CITY: Roselle, IL

DEGREE PROGRAM: Associate in Arts

Hello, my name is Issac Proudfoot and I'm one of your scholarship recipients. I wanted to share a little bit about myself with you. I would like to start by saying I'm an only child, and I love the fact that its just my mother and me. She is my rock, she supported me in every aspect of my life. She continues to support me in any activities that I have been involved with and has shown and taught me so much over the past 18 years. When I'm older I want to be the same type of parent that she is to me for my future children.

I was an active member of Boy Scouts until September 2019 when I aged out. I earned my Eagle rank along with the bronze and gold Eagle Palms. When I'm able to get situated at college I plan to rejoin Boy Scouts as an adult leader to help be a role model for younger Scouts.

I've played the trumpet since fourth grade and for the four years of high school, I was part of the Marching Band which competed at local, state, regional and national competitions. So of my favorite memories from high school are from the marching band. I also played in the Jazz band and performed at multiple events but the most memorable performances were when the band traveled down to New Orleans this past winter before COVID-19 impacted the nation so badly.

I know that you would like to know more about my education goals so here they are. I will be going to school to become a high school history teacher. I love learning about our country's and our world's past and want to help children want to learn and love to learn about their history as well. When I complete my Associate's degree at College of DuPage I will be transferring to University to complete my history and teaching degree. I just don't know which University that will be at this time.

Thank you again for awarding me with your scholarship.
